# THE MOST EXCITING TEAM BUILDING - EVERYTHING IN ONE APP!

## Take on your B2Mission 2022

Are you up for an athletic challenge? Strengthen your team spirit with B2Mission! Embark on a journey of discovery on your own doorstep or around your workplace and put the fun right back into physical activity. You decide your route and collect points along the way:

## ONE TEAM – ONE B2MISSION! CURIOUS?

With **B2Mission**, you can take on an athletic challenge together but still on your own via the app: Become explorers and collect points.

Exciting Challenges with plenty of varied tasks are waiting for you in **21 cities**. You will have one hour to run and complete each of the tasks. Are the Challenges too far away from where you live or work? No problem: collect points for your team during your **run, walk, hike** or **bike ride**. Every kilometre counts! Design your activities flexibly and contribute to your team's success together.

As a **charity participant**, you support the **Swiss Red Cross (SRC)** with **CHF 5** more per activation code, thereby helping families in Switzerland and people in need.

Challenge yourself and each other for one month, as this is the only way to succeed in competition.

**That's motivation at its finest!**

**YOUR TEAM. YOUR CHALLENGE.**

**SUCCESSFULLY  
COMPLETE  
YOUR B2MISSION  
ON 30.09.2022**
